WISCONSIN AMERICAN LEGION AUXILIARY IS A RESOURCE OF INFORMATION & SUPPORT TO VETERANS

MAKING CONNECTION - WOMEN TO WOMEN is about:

- (1) honoring the military service of women Veterans
- (2) ensuring all Veterans are aware of the many Veteran benefits & services they have earned.
- (3) becoming a resource in their community for information about Veteran benefits.

Our job is NOT to provide services but offer support and help in connecting to Veteran benefit representatives and agents within the VA Community.

There is not a ONE-STOP-SHOP (single system) for benefits and services; Federal, State, and County veteran benefit and services are available for men and women who have served in the military. Each agency has Veterans Benefit Administrative Representatives (VBA) available to assist in applying and/or advising for benefits and services. VBA are also available at County Veteran Offices, US Department of Veterans Affairs Regional Offices, Wisconsin Department of Veterans Affairs Offices, colleges, technical schools, Job Service, financial, legal, homeless housing, and Veteran Service Organizations.

With all these agencies & organizations – the question is,- why does a Veteran fall through the cracks and not receive the benefits they earned?

- Women Veterans do not think of themselves as “Veterans,” therefore do not realize they are eligible for Veteran Benefits.
- Women Veterans are trained to take care of themselves, asking for help is a sign of weakness.
- Many women Veterans have experienced military sexual trauma (MST) 1 in 5 homeless women Veterans report sexual trauma, compared with 1 in 100 homeless male Veterans.
- Women Veterans do not trust Department of Veterans Affairs administrators or military staff.
- The majority of homeless or at-risk women Veterans have minor children, therefore will not seek help from the VA, because of an unfounded fear that if they ask for help, they will lose custody of their children.
- Homeless women Veterans are smart, highly trained, highly skilled women with a lot of invisible scars, “all they need is support and encouragement while transitioning to independent living.”

When Women Veterans do decide to seek veteran benefits, they often attempt to maneuver the system alone, become frustrated, angry and then just “stop” asking.

VETERAN MUST SHOW PROOF OF MILITARY SERVICE BEFORE SHE MAY APPLY FOR BENEFITS OR ENTITLEMENTS.

WHAT PROOF? DD form 214 (discharge/separation document)

The most important document a veteran has - the DD form 214.

Every veteran received discharge (separation) papers. (DD214)
It documents the dates of enlistment/discharge and type of discharge.

This *legal* document is the basis of determining eligibility for veteran benefits.

WHAT IF THE VETERAN CANNOT FIND THEIR DD214?

- Contact a County Veteran Service Officer (CVSO) www.dva.state.wi.us/cvso
- Internet search - <http://www.archives.gov/veterans/military-service-records>
- Contact US Department of Veterans Affairs – Regional Office www.va.gov
or www.benefits.va.gov/milwaukee
5400 West National Ave., Milwaukee, WI 53214 800-827-1000
- Wisconsin Department of Veterans Affairs 1-800-WIS-VETS (947-8387)
- County Register of Deeds Office, if the DD-214 had been pre-recorded in the county records.
- Federal VA ebenefits - www.ebenefits.va.gov

The easiest way to obtain the DD form 214 is to go to the County Veteran Service Office in the County where the Veteran resides. This will establish the essential relationship between the Veteran and the County Veterans Service Officer for the future.

WHO DO I CONTACT WITH QUESTIONS ABOUT VA BENEFITS AND/OR SUBMIT A CLAIM?

VETERANS BENEFITS ADMINISTRATIVE REPRESENTATIVE (VBA)
(A Veterans Benefits Administrative Representatives is an accredited representative for matters pertaining to VA benefits and entitlements.)

A County Veterans Service Officer (CVSO) is the primary VBA to contact for all Federal and State VA Benefits and questions. www.dva.state.wi.us/cvso

VET CENTERS (USDVA)

Vet Centers are another US Department of Veterans Affairs resource... Vet Centers' mission is to network throughout their service areas with various organizations and to help eligible Veterans through their difficulties. They provide confidential counseling for conflict theater veterans and their families, veterans who were sexually assaulted or harassed while on active duty and bereavement counseling for families. They are an excellent resource for Veterans and service organizations that seek answers to difficult questions. The Vet Centers provide services throughout their areas. Vet Centers are open from 8am – 4:30 pm for all walk-ins, Mon-Fri

*The Mobile Vet Centers allows USDVA to bring the many services the Vet Centers offer Veterans to all communities, wherever they are needed.

This customized vehicle is equipped with confidential counseling space and a state of the art communication package will travel to communities to extend USDVA's outreach to Veterans, Service members and their families, especially those living in rural or remote communities.

Transportation to VA Medical Appointments

Wisconsin veterans may use one of two programs that assist veterans who need help getting to VA medical appointments. The Wisconsin Department of the Disabled American Veterans operates several vans around the state that normally stop at predetermined locations and then transport to the various medical centers. For a list of the current scheduled stops, please see the Wisconsin DAV website.

www.davwi.org

Veterans can schedule a stop by contacting the DAV Transportation Coordinator listed with the schedule. These rides are free of charge and available to all veterans based on financial need -- you do not have to be disabled or belong to the DAV to get a ride on this network. Veterans should contact the DAV for additional information.

For veterans who live in locations not served by the DAV Van most counties provide some type of assistance. Some counties provide this service free of charge and others require a small fee or donation. Veterans can request to have this fee waived in most cases if they are experiencing financial hardship. County transportation systems are run by the County Veterans Service Office (CVSO) or another County agency. Veterans should [contact their CVSO](#) for information.

Veterans in need of assistance with transportation to a VA medical appointment should contact the appropriate agency as soon as notification of a scheduled VA appointment has been received. Requests for same day or next day travel may not be able to be accommodated.

VETERANS ASSISTANCE FOUNDATION Based in Tomah, WI

The Veterans Assistance Foundation is a veteran founded and led non-profit organization dedicated to overcoming veteran homelessness. They offer Programs and Services for veterans. Founded in 1994, our mission is to identify and address the issues faced by veterans and low income persons who are homeless or at-risk of homelessness in our communities. We provide transitional housing, rapid re-housing, homelessness prevention services and access to benefit services for veterans and their families in the state of Wisconsin.

The VHP is designed to break the cycle of homelessness and help veterans transition back into the mainstream of society. The VHP also helps prevent homelessness by providing job training and referrals to unemployed or underemployed veterans who otherwise might end up living on the streets. This is accomplished through job training, education, counseling and rehabilitative services (such as alcohol and drug abuse treatment) the veterans need in order to obtain steady employment, affordable housing and the skills to sustain a productive lifestyle.

DRYHOOTCH OF AMERICAN, INC.

1030 E. Brady Street, Milwaukee, WI 53202
414-763-2785
www.dryhootch.org

Dryhootch provides veterans and their families with a stable, substance-free environment to gather, grow, and enhance their post-service life experience.

“Helping Veterans and their families who survived the war, survive the peace.”

Dryhootch was started in 2008 by a group of Vietnam veterans who wanted to help the Iraq/Afghanistan generation of vets with reintegration issues, in addition to helping vets from all eras. They started by selling coffee out of a tent at “Reclaiming Our Heritage” on the Zablocki VA grounds. After receiving a grant in 2009, they purchased an outreach truck to take to events throughout Wisconsin. In 2010, Dryhootch found a permanent location for a coffee house and support group center on Brady St. in Milwaukee.

Peer Support is the basis for everything they do at Dryhootch. The brothers and sisters that had your back while in service are now there at Dryhootch, providing you with that same support in "the real world." They can give advice on benefits, explain how they made the transition back, or just be a buddy that can finish your sentences. It is behind everything they do here.

Readjustment Returning from Combat: Its normal to feel confused, depressed, alone when returning “home”. Their veterans peer, who have been in your boots, can show you how to adjust to a place you've been away from for awhile.

Resources: There is a wide range of services available to veterans and their family. But where to find them; how to file? Ask the team at Dryhootch to show you the way. They partner with a large range of agencies who have great programs. Ask us to hook you up.

Employment: They don't throw a computer at you and leave you on your own. They work with you alongside our peer vet to build your resume & skill sets. And we team up to find the employer and career you desire.

Legal Help: Whether it's family, law, or a criminal case, bad things happen to good people. Dryhootch can provide you and your family with help in getting back the life you envisioned.

Families: You don't have to be alone. Family peers can help you find and understand the programs you may be looking for.

Addiction: Unfortunately, addiction is all too often a reality for those who served, have PTSD, or are a stressed family member. Dryhootch has numerous groups that can address your issues respectfully.

Music, Art, Writing: Dryhootch brings in actors, artists, and great music with instructions on guitar or banjo to help you loosen up, have some fun, and heal a little!

And Great Coffee: Dryhootch provides a great social space where veterans, their family, and the community can gather to share conversation, offer help, and relax over a great cup of coffee, tea, and more
